## CERTIFICATION AREAS NEEDED

**IMPORTANT NOTE: New York State changed its certification titles and requirements effective February 2, 2004.** Some candidates attending TRD will have the previous certification titles, and many candidates attending will have the new certification titles. This list attempts to represent both groups of titles. **There may be some overlap, so please check all certification areas that apply.** The website of the NYS Education Department <http://www.highered.nysed.gov/tcert> explains the current titles.

Place an "X" in each of the area(s) of certification for which you are willing to interview.
